questioned the "Trash collection assessments" line item, the increase in "Mulch" at \$180,000, the "Landscape Arbor Care" line item that went from \$20,000 to \$115,500 and discussed the need for off-duty patrols in the community. Mr. Adams stated the increase in arbor care was based on work orders received for trimming the oak trees along the roadways that are down and need to be lifted because they are starting to encroach and need specialized care.

Resident Linda Depasquale asked about the repairs that would be made to the Rangeland Bridge, the "Landscaping consultant" line item and the pool attendants. Mr. Adams stated wood replacements would be used to redo the bridge. The landscape consultant oversees the contractor, performs periodic reviews and creates a to-do list for the landscape contractor. Regarding the pool attendants, Ms. Hlebak stated those staff members maintain the parks and common area restrooms.

Discussion ensued regarding staffing hours, insurance costs, front desk staff duties and level of service. Mr. Silber objected to the CDD taking on the increased cost of the front desk staff and motioned for the amenity contract to go out to bid. The Board and Staff discussed the scope of work, considering other providers, front desk duties and hours, drafting a staffing agreement and reducing costs by hiring an Amenities or Facilities Manager and part time staffers. Mrs. Adams stated the motion to go out to bid failed for a lack of second.

98 Resident Meredith Johal asked if the landscape arbor care contractor would be 99 responsible for tree trimming on Long Spur. Mr. Adams confirmed that the contractor would 100 trim trees along the roadways, including on Long Spur from Rangeland Boulevard to just east of 101 Heart Pine Park. Asked about sign relocation, Mr. Liquori stated the landscapers would do their 102 part to modify the trees but moving signs is the County's responsibility.

110 Mr. Adams stated, per Pasco County, the fee to move a sign is \$100 to \$200 and the 111 concept of the signs is to deter speeders.

112 Mr. Silber referred to Village 4, (Series 2015A), on Page 28 of the proposed Fiscal Year 113 2022 budget, and asked why those property owners pay almost \$400 less than residents in 114 other communities within the District. It was noted that, when the Esplanade community was

115 originated, a decision was made to charge its residents 75% less because they would primarily be accessing and using the amenities inside that community, for which they pay a separate 116 117 assessment, based on the Esplanade documents. Asked if the policy could be revisited, Mr. 118 Adams stated the policy can be adjusted on the Operations and Maintenance (O&M) side but 119 probably not on the Debt Service side, as it was already validated and the Assessment 120 Methodology was based on the limited use of District amenities by Esplanade residents, since 121 they have their own neighborhood amenities. He would examine the records to find the 122 discussion and the exact justification.

123 Ms. Willson stated an O&M assessment for that community could be presented at the 124 budget public hearing. Asked if there is sufficient time to notify residents, Mr. Adams stated 125 Staff would not have to send a separate mailed notice and recommended that the assessment level noticed for Esplanade property owners be the same as that of the other communities. 126

Mr. Silber suggested increasing the \$20,000 "Contingency" line item to \$50,000 for 127 128 unanticipated expenses. Regarding traffic calming, the consensus is to include engaging an off-129 duty Florida Highway Patrol (FPH) officer on the Fiscal Year 2022 budget. Mr. Liquori 130 recommended that every resident attend Board of County Commission (BOCC) meetings and 131 advocate for the issues that affect their lives, as the CDD does not have policing powers and 132 cannot do anything about the nighttime activities in Cunningham Park or speeders.

**RESIDENT FEEDBACK** 

**ACTION TAKEN (ALWAYS THANKED FOR FEEDBACK)** 

Crosswalk Option on Heart Pine/Welcome Center:

Residents requesting a crosswalk be added in front of the Welcome Center to not have to drive up or to be able to safely cross the street without going all the way up to Heart Pine and Sate Route 54. Resident had mentioned it in a previous CDD Meeting and was upset he could not find even a mention in that meeting minutes.

The resident was explained the Lifestyle Director would noted this request to the board at the next meeting and discussed the other parts of the trails to cross for now.

Renter's Right of Use to the CDD Amenities:

Several renters and home owners have become upset about the process for them to gain access to the CDD Amenities in the community. They are not happy about the additional charges and the home owners nor their management companies seem to follow the procedure to relinquish the homes owner's rights for their renters.

The Lifestyle Director is creating a form for the District to review and approve. Also looking into how the policy reads so that it is more clear and or easier to find. The policy is 2 cards per house hold. After that it is \$10 per card for anyone 16 years of age or older. Renter's are also charged \$10 per card.

Holiday Among Us:

The Lifestyle Coordinator received several emails requesting we do this event again or ones like it. It allowed siblings of different ages to mix well and not feel left out.

Miss. Nikole and the Lifestyle Team had a great time bringing this computer game a reality. We had children of all ages and the staff made sure if a child didn't understand they were able to help. We saw kids that have not participated in programs for a fee years attend this event along with Boy's & Girl's Day Out.

## **AMENITIES & OPERATIONS**

| ITEM  | STATUS         | CONCLUSION   |
|---|----------------|--|
| Gates at entrance of Cunningham Park  |                | Facilities Manager is working on gates. They had to<br>be drained and old signage was removed with<br>inaccurate information. Looking into the electronic<br>lock system per board, but at this time the gates<br>need more adjustment to stay closed without locking<br>them. Staff leaving at 9pm has questioned cars that<br>are still in the park when they close the gates. |
| Whitfield Park & Homestead Park Playground Equipment Audit  | In<br>Progress | Homestead Park Slide with Earthscape was<br>approved, parts ordered, check is in route for<br>payment. Kompan is working on a few options so we<br>can cut costs and work out a plan to make repairs<br>overtime vs all up front.  |
| Concrete Repairs  | Complete       | Repairs on several sidewalk and park steps   |
| Pool Chair Repairs  |                | Every few months we have to order repair kits, but<br>this summer has been hard to keep up with all the<br>broken lounge chairs. We may need to order a few<br>new ones for next summer.   |
| Board Replacements in Picnic Area at Cunningham Park  | Complete       | Several boards were rotten and needed replaced.  |
| Touch-up painting, pressure washing, filling holes at the dog parks, replacing boards & bricks on pedestrian walk ways. |                | Ongoing projects in the community continually needing to be addressed.   |
