NOTICE OF PUBLIC HEARING TO CONSIDER THE ADOPTION OF THE FY 2025 BUDGET; NOTICE OF PUBLIC HEARING TO CONSIDER THE IMPOSITION OF OPERATIONS AND MAINTENANCE SPECIAL ASSESSMENTS, ADOPTION OF AN ASSESSMENT ROLL, AND THE LEVY, COLLECTION, AND ENFORCEMENT OF THE SAME; AND NOTICE OF REGULAR BOARD OF SUPERVISORS' MEETING.

The Board of Supervisors ("Board") for the TSR Community Development District ("District") will hold the following public hearings and regular meeting:

DATE: August 14, 2024
 TIME: 6:00 P.M.
 LOCATION: Welcome Center
 2500 Heart Pine Avenue
 Odessa, Florida 33556

The first public hearing is being held pursuant to Chapter 190, *Florida Statutes*, to receive public comment and objections on the District's proposed budget ("Proposed Budget") for the fiscal year beginning October 1, 2024, and ending September 30, 2025 ("FY 2025"). The second public hearing is being held pursuant to Chapters 190, *Florida Statutes*, to consider the imposition of operations and maintenance special assessments ("O&M Assessments") upon the lands located within the District to fund the Proposed Budget for FY 2025; to consider the adoption of an assessment roll; and to provide for the levy, collection, and enforcement of O&M Assessments. At the conclusion of the public hearings, the Board will, by resolution, adopt a budget and levy O&M Assessments as finally approved by the Board. A regular Board meeting of the District will also be held where the Board may consider any other District business that may properly come before it.

Description of Assessments

The District imposes O&M Assessments on benefitted property within the District for the purpose of funding the District's general administrative, operations, and maintenance budget. A description of the services to be funded by the O&M Assessments, and the properties to be improved and benefitted from the O&M Assessments, are all set forth in the Proposed Budget. A geographic depiction of the property potentially subject to the proposed O&M Assessments is identified in the map attached hereto. The table below shows the schedule of the proposed O&M Assessments, which are subject to change at the hearing.

Land Use	Total # of Units/ Acres	ERU Factor	Proposed Annual O&M Assessment*
Residential Unit	2,509	1	\$1,891.95

*includes collection costs and early payment discounts

NOTE: THE DISTRICT RESERVES ALL RIGHTS TO CHANGE THE LAND USES, NUMBER OF UNITS, EQUIVALENT ASSESSMENT OR RESIDENTIAL UNIT ("EAU/ERU") FACTORS, AND O&M ASSESSMENT AMOUNTS AT THE PUBLIC HEARING, WITHOUT FURTHER NOTICE.

The proposed O&M Assessments as stated include collection costs and/or early payment discounts imposed on assessments collected by the Pasco County ("County") Tax Collector on the tax bill. Moreover, pursuant to Section 197.3632(4), *Florida Statutes*, the lien amount shall serve as the "maximum rate" authorized by law for O&M Assessments, such that no public hearing on O&M Assessments shall be held or notice provided in future years unless the O&M Assessments are proposed to be increased or another criterion within Section 197.3632(4), *Florida Statutes*, is met. Note, the O&M Assessments do not include debt service assessments previously levied by the District, if any.

For FY 2025, the District intends to have the County Tax Collector collect the O&M Assessments imposed on certain developed property and will directly collect the O&M Assessments on the remaining benefitted property, if any, by sending out a bill no later than November of this year. It is important to pay your O&M Assessment because failure to pay will cause a tax certificate to be issued against the property which may result in loss of title or, for direct billed O&M Assessments, may result in a foreclosure action which also may result in a loss of title. The District's decision to collect O&M Assessments on the County tax roll or by direct billing does not preclude the District from later electing to collect those or other assessments in a different manner at a future time.

Additional Provisions

The public hearings and meeting are open to the public and will be conducted in accordance with the provisions of Florida law. A copy of the Proposed Budget, proposed assessment roll, and the agenda for the public hearings and meeting may be obtained at the offices of the District Manager, Wrathell, Hunt and Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431, Phone (561) 571-0010 ("District Manager's Office"), during normal business hours, or by visiting the District's website at <http://www.tsrddd.com/>. The public hearings and meeting may be continued in progress to a date, time certain, and place to be specified on the record at the public hearings or meeting. There may be occasions when staff or board members may participate by speaker telephone.

Any person requiring special accommodations at the public hearings or meeting because of a disability or physical impairment should contact the District Manager's Office at least forty-eight (48) hours prior to the public hearings and meeting. If you are hearing or speech impaired, please contact the Florida Relay Service by dialing 7-1-1, or 1-800-955-8771 (TTY) / 1-800-955-8770 (Voice), for aid in contacting the District Manager's Office.

Please note that all affected property owners have the right to appear at the public hearings and meeting and may also file written objections with the District Manager's Office within twenty days of publication of this notice. Each person who decides to appeal any decision made by the Board with respect to any matter considered at the public hearings or meeting is advised that person will need a record of proceedings and that, accordingly, the person may need to ensure that a verbatim record of the proceedings is made, including the testimony and evidence upon which such appeal is to be based.

NOTICE OF PUBLIC HEARING TO CONSIDER THE ADOPTION OF THE FY 2025 BUDGET; NOTICE OF PUBLIC HEARING TO CONSIDER THE IMPOSITION OF OPERATIONS AND MAINTENANCE SPECIAL ASSESSMENTS, ADOPTION OF AN ASSESSMENT ROLL, AND THE LEVY, COLLECTION, AND ENFORCEMENT OF THE SAME; AND NOTICE OF REGULAR BOARD OF SUPERVISORS' MEETING.

The Board of Supervisors ("Board") for the TSR Community Development District ("District") will hold the following public hearings and regular meeting:

DATE: August 14, 2024
 TIME: 6:00 P.M.
 LOCATION: Welcome Center
 2500 Heart Pine Avenue
 Odessa, Florida 33556

The first public hearing is being held pursuant to Chapter 190, *Florida Statutes*, to receive public comment and objections on the District's proposed budget ("Proposed Budget") for the fiscal year beginning October 1, 2024, and ending September 30, 2025 ("FY 2025"). The second public hearing is being held pursuant to Chapters 190, *Florida Statutes*, to consider the imposition of operations and maintenance special assessments ("O&M Assessments") upon the lands located within the District to fund the Proposed Budget for FY 2025; to consider the adoption of an assessment roll; and to provide for the levy, collection, and enforcement of O&M Assessments. At the conclusion of the public hearings, the Board will, by resolution, adopt a budget and levy O&M Assessments as finally approved by the Board. A regular Board meeting of the District will also be held where the Board may consider any other District business that may properly come before it.

Description of Assessments

The District imposes O&M Assessments on benefitted property within the District for the purpose of funding the District's general administrative, operations, and maintenance budget. A description of the services to be funded by the O&M Assessments, and the properties to be improved and benefitted from the O&M Assessments, are all set forth in the Proposed Budget. A geographic depiction of the property potentially subject to the proposed O&M Assessments is identified in the map attached hereto. The table below shows the schedule of the proposed O&M Assessments, which are subject to change at the hearing.

Land Use	Total # of Units/ Acres	ERU Factor	Proposed Annual O&M Assessment*
Residential Unit	2,509	1	\$1,891.95

*includes collection costs and early payment discounts

NOTE: THE DISTRICT RESERVES ALL RIGHTS TO CHANGE THE LAND USES, NUMBER OF UNITS, EQUIVALENT ASSESSMENT OR RESIDENTIAL UNIT ("EAU/ERU") FACTORS, AND O&M ASSESSMENT AMOUNTS AT THE PUBLIC HEARING, WITHOUT FURTHER NOTICE.

The proposed O&M Assessments as stated include collection costs and/or early payment discounts imposed on assessments collected by the Pasco County ("County") Tax Collector on the tax bill. Moreover, pursuant to Section 197.3632(4), *Florida Statutes*, the lien amount shall serve as the "maximum rate" authorized by law for O&M Assessments, such that no public hearing on O&M Assessments shall be held or notice provided in future years unless the O&M Assessments are proposed to be increased or another criterion within Section 197.3632(4), *Florida Statutes*, is met. Note, the O&M Assessments do not include debt service assessments previously levied by the District, if any.

For FY 2025, the District intends to have the County Tax Collector collect the O&M Assessments imposed on certain developed property and will directly collect the O&M Assessments on the remaining benefitted property, if any, by sending out a bill no later than November of this year. It is important to pay your O&M Assessment because failure to pay will cause a tax certificate to be issued against the property which may result in loss of title or, for direct billed O&M Assessments, may result in a foreclosure action which also may result in a loss of title. The District's decision to collect O&M Assessments on the County tax roll or by direct billing does not preclude the District from later electing to collect those or other assessments in a different manner at a future time.

Additional Provisions

The public hearings and meeting are open to the public and will be conducted in accordance with the provisions of Florida law. A copy of the Proposed Budget, proposed assessment roll, and the agenda for the public hearings and meeting may be obtained at the offices of the District Manager, Wrathell, Hunt and Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431, Phone (561) 571-0010 ("District Manager's Office"), during normal business hours, or by visiting the District's website at <http://www.tsrddd.com/>. The public hearings and meeting may be continued in progress to a date, time certain, and place to be specified on the record at the public hearings or meeting. There may be occasions when staff or board members may participate by speaker telephone.

Any person requiring special accommodations at the public hearings or meeting because of a disability or physical impairment should contact the District Manager's Office at least forty-eight (48) hours prior to the public hearings and meeting. If you are hearing or speech impaired, please contact the Florida Relay Service by dialing 7-1-1, or 1-800-955-8771 (TTY) / 1-800-955-8770 (Voice), for aid in contacting the District Manager's Office.

Please note that all affected property owners have the right to appear at the public hearings and meeting and may also file written objections with the District Manager's Office within twenty days of publication of this notice. Each person who decides to appeal any decision made by the Board with respect to any matter considered at the public hearings or meeting is advised that person will need a record of proceedings and that, accordingly, the person may need to ensure that a verbatim record of the proceedings is made, including the testimony and evidence upon which such appeal is to be based.

Dear Property Owner:

Pursuant to Florida law, the TSR Community Development District ("**District**") will be holding a meeting and public hearing(s) for the purposes of (i) adopting the District's proposed budget ("**Proposed Budget**") for the fiscal year beginning October 1, 2024, and ending September 30, 2025 ("**FY 2025**"), and (ii) levying operations and maintenance assessments ("**O&M Assessments**") to fund the Proposed Budget as follows:

DATE: August 14, 2024
TIME: 6:00 P.M.

The proposed O&M Assessment information for your property, schedule of assessments, and total revenue to be collected to fund the Proposed Budget for FY 2025 is set forth in **Exhibit A** attached hereto. The public hearings and meeting are open to the public and will be conducted in accordance with Florida law. A copy of the Proposed Budget, assessment roll, and the agenda for the public hearings and meeting may be obtained by contacting the offices of the District Manager, Wrathell, Hunt and Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431, Phone (561) 571-0010 ("**District Manager's Office**"). EXHIBIT A
Summary of O&M Assessments – FY 2025

1. **Proposed Budget / Total Revenue.** From all O&M Assessments levied to fund the Proposed Budget, the District expects to collect no more than **\$4,898,258.55** in gross revenue.
2. **Unit of Measurement.** O&M Assessments are allocated on a per acre basis for undeveloped property and on an Equivalent Assessment Unit or Equivalent Residential Unit (collectively herein, “**EAU/ERU**”) basis for platted lots. Your property is classified as a **Residential Unit**.

3. **Schedule of O&M Assessments:**

Land Use	Total Units / Acres	EAU/ERU Factor	Proposed Annual O&M Assessment*
Residential Unit	2,589	1.00	\$1,891.95

**includes collection costs and early payment discounts*

Note, the O&M Assessments do not include debt service assessments previously levied by the District, if any. Moreover, pursuant to Section 197.3632(4), *Florida Statutes*, the lien amount shall serve as the “maximum rate” authorized by law for O&M Assessments, such that no public hearing on O&M Assessments shall be held or notice provided in future years unless the O&M Assessments are proposed to be increased or another criterion within Section 197.3632(4) is met.

4. **Proposed Annual O&M Assessments for Your Property.**

Current O&M Assessment (October 1, 2023 – September 30, 2024)	Proposed O&M Assessment (October 1, 2024 – September 30, 2025)	Change in Annual Dollar Amount
\$1,705.41	\$1,891.95	\$186.54

5. **Collection.** By operation of law, each year’s O&M Assessment constitutes a lien against the property levied on, just as do each year’s property taxes. For FY 2025, the District intends to have the Pasco County (“**County**”) Tax Collector collect the O&M Assessments imposed on certain developed property and will directly collect the O&M Assessments imposed on the remaining benefitted property, if any, by sending out a bill no later than November of this year. For delinquent assessments initially billed directly by the District, the District may initiate a foreclosure action or may place the delinquent assessments on the next year’s County tax bill. **IT IS IMPORTANT TO PAY YOUR O&M ASSESSMENT BECAUSE FAILURE TO PAY WILL CAUSE A TAX CERTIFICATE TO BE ISSUED AGAINST THE PROPERTY WHICH MAY RESULT IN LOSS OF TITLE OR, FOR DIRECT BILLED ASSESSMENTS, MAY RESULT IN A FORECLOSURE ACTION WHICH ALSO MAY RESULT IN A LOSS OF TITLE.** The District’s decision to collect O&M Assessments on the County tax roll or by direct billing does not preclude the District from later electing to collect those or other assessments in a different manner at a future time.

RESOLUTION 2024-09
[FY 2025 ASSESSMENT RESOLUTION]

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE TSR COMMUNITY DEVELOPMENT DISTRICT PROVIDING FOR FUNDING FOR THE FY 2025 ADOPTED BUDGET(S); PROVIDING FOR THE COLLECTION AND ENFORCEMENT OF SPECIAL ASSESSMENTS, INCLUDING BUT NOT LIMITED TO PENALTIES AND INTEREST THEREON; CERTIFYING AN ASSESSMENT ROLL; PROVIDING FOR AMENDMENTS TO THE ASSESSMENT ROLL; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the TSR Community Development District ("**District**") is a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, for the purpose of providing, operating and maintaining infrastructure improvements, facilities and services to the lands within the District, located in Pasco County, Florida ("**County**"); and

WHEREAS, the District has constructed or acquired various infrastructure improvements and provides certain services in accordance with the District's adopted capital improvement plan and Chapter 190, *Florida Statutes*; and

WHEREAS, for the fiscal year beginning October 1, 2024, and ending September 30, 2025 ("**FY 2025**"), the Board of Supervisors ("**Board**") of the District has determined to undertake various operations and maintenance and other activities described in the District's budget ("**Adopted Budget**"), attached hereto as **Exhibit A**; and

WHEREAS, pursuant to Chapter 190, *Florida Statutes*, the District may fund the Adopted Budget through the levy and imposition of special assessments on benefitted lands within the District and, regardless of the imposition method utilized by the District, under Florida law the District may collect such assessments by direct bill, tax roll, or in accordance with other collection measures provided by law; and

WHEREAS, in order to fund the District's Adopted Budget, the District's Board now desires to adopt this Resolution setting forth the means by which the District intends to fund its Adopted Budget.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE TSR COMMUNITY DEVELOPMENT DISTRICT:

1. **FUNDING.** The District's Board hereby authorizes the funding mechanisms for the Adopted Budget as provided further herein and as indicated in the Adopted Budget attached hereto as **Exhibit A** and the assessment roll attached hereto as **Exhibit B ("Assessment Roll")**.

2. **OPERATIONS AND MAINTENANCE ASSESSMENTS.**

- a. **Benefit Findings.** The provision of the services, facilities, and operations as described in **Exhibit A** confers a special and peculiar benefit to the lands within the District, which benefit exceeds or equals the cost of the assessments. The allocation of the assessments to the specially benefitted lands is shown in **Exhibit A** and **Exhibit B** and is hereby found to be fair and reasonable.
 - b. **O&M Assessment Imposition.** Pursuant to Chapter 190, *Florida Statutes*, a special assessment for operations and maintenance ("**O&M Assessment(s)**") is hereby levied and imposed on benefitted lands within the District and in accordance with **Exhibit A** and **Exhibit B**. The lien of the O&M Assessments imposed and levied by this Resolution shall be effective upon passage of this Resolution.
 - c. **Maximum Rate.** Pursuant to Section 197.3632(4), *Florida Statutes*, the lien amount shall serve as the "maximum rate" authorized by law for operation and maintenance assessments.
- 3. **DEBT SERVICE SPECIAL ASSESSMENTS.** The District's Board hereby certifies for collection the FY 2025 installment of the District's previously levied debt service special assessments ("**Debt Assessments**," and together with the O&M Assessments, the "**Assessments**") in accordance with this Resolution and as further set forth in **Exhibit A** and **Exhibit B**, and hereby directs District staff to affect the collection of the same.
- 4. **COLLECTION AND ENFORCEMENT; PENALTIES; INTEREST.** Pursuant to Chapter 190, *Florida Statutes*, the District is authorized to collect and enforce the Assessments as set forth below.
 - a. **Tax Roll Assessments.** To the extent indicated in **Exhibit A** and **Exhibit B**, those certain O&M Assessments (if any) and/or Debt Assessments (if any) imposed on the "**Tax Roll Property**" identified in **Exhibit B** shall be collected by the County Tax Collector at the same time and in the same manner as County property taxes in accordance with Chapter 197, *Florida Statutes* ("**Uniform Method**"). That portion of the Assessment Roll which includes the Tax Roll Property is hereby certified to the County Tax Collector and shall be collected by the County Tax Collector in the same manner and time as County property taxes. The District's Board finds and determines that such collection method is an efficient method of collection for the Tax Roll Property.
 - b. **Direct Bill Assessments.** To the extent indicated in **Exhibit A** and **Exhibit B**, those certain O&M Assessments (if any) and/or Debt Assessments (if any) imposed on "**Direct Collect Property**" identified in **Exhibit B** shall be

collected directly by the District in accordance with Florida law, as set forth in **Exhibit A** and **Exhibit B**. The District's Board finds and determines that such collection method is an efficient method of collection for the Direct Collect Property.

- i. *Due Date (O&M Assessments)*. O&M Assessments directly collected by the District shall be due and payable in full on December 1, 2024; provided, however, that, to the extent permitted by law, the O&M Assessments due may be paid in several partial, deferred payments and according to the following schedule: 50% due no later than December 1, 2024, 25% due no later than February 1, 2025 and 25% due no later than May 1, 2025.
 - ii. *Due Date (Debt Assessments)*. Debt Assessments directly collected by the District shall be due and payable in full on **December 1, 2024**; provided, however, that, to the extent permitted by law, the Debt Assessments due may be paid in several partial, deferred payments and according to the following schedule: 50% due no later than December 1, 2024, 25% due no later than February 1, 2025 and 25% due no later than May 1, 2025.
 - iii. In the event that an Assessment payment is not made in accordance with the schedule(s) stated above, the whole of such Assessment, including any remaining partial, deferred payments for the Fiscal Year: shall immediately become due and payable; shall accrue interest, penalties in the amount of one percent (1%) per month, and all costs of collection and enforcement; and shall either be enforced pursuant to a foreclosure action, or, at the District's sole discretion, collected pursuant to the Uniform Method on a future tax bill, which amount may include penalties, interest, and costs of collection and enforcement. Any prejudgment interest on delinquent Assessments shall accrue at the rate of any bonds secured by the Assessments, or at the statutory prejudgment interest rate, as applicable. Client Guarantee

We use quality products that are administered by trained personnel. We guarantee to deliver what we have contracted to deliver. If we do not, we will work with you until you are satisfied, or you will not be charged for the disputed item. Our Client Care Guarantee demonstrates our commitment to creating lifelong client relationships.

Tree Care

PRUNING: Performed by trained arborists using industry and Tree Care Industry Association (TCIA) approved methods.

TREE REMOVAL: Removal to within 6" of ground level and cleanup of debris.

STUMP REMOVAL: Mechanical grinding of the visible tree stump to at or just below ground level. Stump area will be backfilled with stump chips and a mound of remaining chips will be left on site unless otherwise stated in the contract. Chip removal, grading and soil backfill are available.

CLEAN-UP: Logs, brush, and leaves, and twigs large enough to rake are removed. Sawdust and other small debris will not be removed.

CABLING/BRACING: Cabling and bracing of trees is intended to reduce damage potential. It does not permanently remedy structural weaknesses, is not a guarantee against failure and requires periodic inspection.

Tree and Shrub Fertilization/SoilCare

Your arborist will assess your property's overall soil conditions either through physical assessment or through soil testing and will recommend a soil management program to help the soil become a better medium to enable healthy plants to thrive or unhealthy plants to regain their vitality. SoilCare programs will include fertilizers, organic humates, fish emulsions and other organic soil conditioners.

Our advanced formula, Arbor Green PRO, works with nature to fertilize without burning delicate roots, building stronger root systems and healthier foliage. It contains no chlorides or nitrates. It is hydraulically injected into the root zone and the nutrients are gradually released over time. Research and experience shows the dramatic benefits Arbor Green PRO provides: greater resistance to insects and diseases, greater tolerance to drought stress, increased vitality, and healthier foliage.

Tree and Shrub Plant Health Care

PRESCRIPTION PEST MANAGEMENT: Customized treatments to manage disease and insect problems specific to plant variety and area conditions. Due to the short term residual of available pesticides, repeat applications may be required.

INSECT MANAGEMENT: Inspection and treatment visits are scheduled at the proper time to achieve management of destructive pests. Pesticides are applied to label specifications.

DISEASE MANAGEMENT: Specific treatments designed to manage particular disease problems. Whether preventative or curative, the material used, the plant variety being treated, and the environmental conditions all dictate what treatment is needed.

EPA approved materials will be applied in accordance with State and Federal regulations.

Lawn Care

FERTILIZER AND MECHANICAL SERVICES: Balanced fertilizer treatments applied throughout the growing season help provide greener turf color and denser root development. To help bring about a better response to these applications, we also provide aerification, lime, overseeding, and lawn renovation.

WEED CONTROL AND PEST MANAGEMENT: Broadleaf weed control is applied either as a broadcast or a spot treatment. Granular weed management may be broadcast. We also offer pre-emergent crabgrass management in the spring and, if needed, a post emergent application later in the year. Our surface insect management is timed to reduce chinch bugs, sod webworms, and billbugs. We also offer a grub management application. Disease management materials and treatments are matched to particular disease problems. This usually requires repeat applications.

Other Terms and Contract Conditions

INSURANCE: Our employees are covered by Worker's Compensation. The company is insured for personal injury and property damage liability. Proof of insurance can be verified by requesting a copy of our Certificate of Insurance.

WORKING WITH LIVING THINGS: As trees and other plant life are living, changing organisms affected by factors beyond our control, no guarantee on tree, plant or general landscape safety, health or condition is expressed or implied and is disclaimed in this contract unless that guarantee is specifically stated in writing by the company. Arborists cannot detect or anticipate every condition or event that could possibly lead to the structural failure of a tree or guarantee that a tree will be healthy or safe under all circumstances. Trees can be managed but not controlled. When elevated risk conditions in trees are observed and identified by our representatives and a contract has been signed to proceed with the remedial work we have recommended, we will make a reasonable effort to proceed with the job promptly. However, we will not assume liability for any accident, damage or injury that may occur on the ground or to any other object or structure prior to us beginning the work. Site inspections do not include internal or structural considerations unless so noted. Unless otherwise specified, tree assessment will not include investigations to determine a tree's structural integrity or stability. We may recommend a Risk Assessment be conducted for an additional charge.

TREE CARE STANDARDS: All work is to be performed in accordance with current American National Standards Institute (ANSI) Standard Practices for Tree Care Operations.

OWNERSHIP OF TREES/PROPERTY: Acceptance constitutes a representation and warranty that the trees and property referenced in this quote are either owned by the signee or that written permission has been received to work on trees which are not on the signee's property.

TIME & MATERIAL (T&M): Jobs performed on a T&M basis will be billed for the time on the job (not including lunch break), travel to and from the job, and materials used.

BILLING & SALES TAX: All amounts deposited with us will either be credited to your account or applied against any amounts currently due. Our invoices are due net 30 days from invoice date. Services may be delayed or cancelled due to outstanding account balances. Sales tax will be added as per local jurisdiction. Clients claiming any tax exempt status must submit a copy of their official exempt status form including their exemption number in order to waive the sales or capital improvement tax.

PAYMENT: We accept checks and credit cards. Credit card payments may be made online at our web site. Paying by check authorizes us to send the information from your check to your bank for payment.

UNDERGROUND PROPERTY: We are not responsible for any underground property unless we have been informed by you or the appropriate underground location agency.

SCHEDULING: Job scheduling is dependent upon weather conditions and work loads.

Memorandum

To: Board of Supervisors

From: District Management

Date: August 14, 2024

RE: HB7013 - Special Districts Performance Measures and Standards Reporting

To enhance accountability and transparency, new regulations were established for all special districts, by the Florida Legislature, during their 2024 legislative session. Starting on October 1, 2024, or by the end of the first full fiscal year after its creation (whichever comes later), each special district must establish goals and objectives for each program and activity, as well as develop performance measures and standards to assess the achievement of these goals and objectives. Additionally, by December 1 each year (initial report due on December 1, 2025), each special district is required to publish an annual report on its website, detailing the goals and objectives achieved, the performance measures and standards used, and any goals or objectives that were not achieved.

District Management has identified the following key categories to focus on for Fiscal Year 2025 and develop statutorily compliant goals for each:

- Community Communication and Engagement
- Infrastructure and Facilities Maintenance
- Financial Transparency and Accountability

Additionally, special districts must provide an annual reporting form to share with the public that reflects whether the goals & objectives were met for the year. District Management has streamlined these requirements into a single document that meets both the statutory requirements for goal/objective setting and annual reporting.

The proposed goals/objectives and the annual reporting form are attached as exhibit A to this memo. District Management recommends that the Board of Supervisors adopt these goals and objectives to maintain compliance with HB7013 and further enhance their commitment to the accountability and transparency of the District.

Mr. Adams called the meeting to order at 6:00 p.m. Supervisors Comella, Stalzer, Deenihan and Anderson were present. Supervisor Bruno was absent.

The Pledge of Allegiance was recited.

SECOND ORDER OF BUSINESS

Public Comments (agenda items) [3 minutes per person]

Resident Bernardo Perez De Lara asked for the Board's help in getting the weeds, which he believes are suffocating healthy vegetation, removed from Cunningham Park. He provided

photographs of the landscaping today and from when he moved here five years ago. Mr. Mazzoni recalled a volunteer resident cleanup day was approved in 2022/2023 but never came to fruition due to a lack of volunteers. He asked if the Board wants to consider this and noted that the Developer intended it to be a natural area; for vegetation to grow on purpose. The Board consensus was to obtain proposals for the next meeting, due to several complaints about the overgrown condition.

Resident Adam Kaluza stated that homeowners comply with the County's water restrictions but he thinks the sprinkler systems in the common areas run at all hours. He voiced his opinion that the Board does not care about being fiscally responsible. Mr. Mazzoni noted that the County's restriction notice is voluntary. He explained the workings of the irrigation zones, which are run within the confines of the State and County guidelines, in addition to having to engage water trucks to save a lot of CDD landscaping, not just sod, due to difficulties getting the State and County to supply reclaimed water; this is a county-wide, not just a CDD problem. Residents should report landscape/irrigation issues via the Starkey Ranch or CDD websites.

THIRD ORDER OF BUSINESS

Presentation of Audited Annual Financial Report for the Fiscal Year Ended September 30, 2023, Prepared by Grau & Associates

Mr. Steets noted the pertinent information in the Audited Annual Financial Report for the Fiscal Year Ended September 30, 2023. It was a clean audit; there were no findings, recommendations, deficiencies on internal control or instances of non-compliance.

FOURTH ORDER OF BUSINESS

Consideration of Resolution 2024-07, Hereby Accepting the Audited Financial Report for the Fiscal Year Ended September 30, 2023

On MOTION by Mr. Stalzer and seconded by Mr. Deenihan, with all in favor, Resolution 2024-07, Hereby Accepting the Audited Financial Report for the Fiscal Year Ended September 30, 2023, was adopted.

▪ Staff Reports-Lifestyle Director & Amenity Manager: Arch Amenities Group

This item, previously Item 14D, was presented out of order.

Ms. Hlebak presented the June 2024 Monthly Summary Report. She stated that she posted ads and is accepting applications for swim instructors, park attendants and activities attendants, as existing personnel are heading to college or onto the next phase of life.

▪ **Consideration of Kompan, Inc. Quote No. SP137910-2 for Whitfield Park Teeter Totter**
This item, previously the Ninth Order of Business, was presented out of order

Ms. Helbak presented the Kompan proposal to replace the Whitfield Park broken teeter totter.

Discussion ensued regarding swapping wooden playground equipment with other products and having Steve, an in-house employee, install replacement equipment to save installation costs. The Board decided against that suggestion, to ensure there are no issues with the warranty terms.

On MOTION by Ms. Comella and seconded by Mr. Stalzer, with all in favor, Kompan, Inc. Quote No. SP137910-2 to replace the Whitfield Park Seesaw (Teeter Totter), in a not-to-exceed amount of \$9,975.87, was approved.

FIFTH ORDER OF BUSINESS

Consideration of Award of Contract – Pond & Lake Maintenance

Mr. Mazzoni stated that, of seven companies that were sent the Request for Proposals (RFP) for the Pond and Lake Maintenance contract, which expires on August 31, 2024, five submitted proposals. Mr. Mazzoni presented his rankings of the five respondents, which he based on contract pricing and other methodology. Representatives from the top scoring respondents, SOLitude and Premier, were in attendance to answer questions.

• **Respondents**

- A. Blue Water Aquatics, Inc.**
- B. Premier Lakes**
- C. Sitex Aquatics, LLC**
- D. Solitude**
- E. Steadfast Environmental, LLC**

Mr. Stalzer asked about Premier's One-Time Work Order Agreement for \$6,000. Mr. Mazzoni stated that it is to treat hydrilla in several lakes and Huckleberry ponds that were not being treated due to low water levels.

Premier representatives Bill Kurth and Alex Kurth responded to questions and explained Sonar® treatments, different treatment methods for shoreline and submersed weeds, rating the current lake conditions, difficulty controlling silver pike rush, defining retention and detention ponds and exploring methods other than dye applications to reduce, rather than treat, the algae.

Mr. Mazzoni stated that he scheduled a vendor to inspect and install Bahia sod to address erosion at two or three ponds where the water level has never met the sod. This will allow more weeds to be treated as well.

Mr. Kevin Wilt, of SOLitude, responded to questions about if the dye application was originally suggested to address algae because it was cost effective, SOLitude needing to work on pro-active measures, on-site technicians' familiarity with the ponds and implementing Sonar® treatments annually in September or October to control algae issues.

Board Members voiced varied reasons for awarding the Contract to Premier versus others in favor of staying with Solitude.

On MOTION by Mr. Stalzer and seconded by Ms. Anderson, with all in favor, ranking Premier Lakes as the #1 respondent to the Request for Proposals for the Pond and Lake Maintenance, and authorizing District Counsel to prepare a Maintenance Agreement for signature and attach the Premier bid proposal and scope to the Agreement, were approved.

On MOTION by Mr. Stalzer and seconded by Ms. Anderson, with all in favor, the Premier Lakes One-Time Work Order Agreement, to implement Start-up Sonar® treatment, effective September 1, 2024, was approved.

SIXTH ORDER OF BUSINESS

Presentation/Discussion: Holiday Lighting 2024

A. Consideration of American Illuminations and Décor Estimate for Upgrade Options

Mr. Will Butler, of American Illuminations and Décor (AID) presented estimates for Holiday Lighting for 2024 and mock photos. The estimate contains two options with the same lighting as last year plus additional add-ons. Option 1 is Holiday Bliss 2024 with Add-Ons, in a lump sum amount of \$12,000. Option 2 is Holiday Bliss 2024 Add-Ons plus Cunningham Park, in a lump sum amount of \$15,000, which builds off Option 1.

A Board Member suggested lighting other areas to replace some of the ones proposed in the estimates. Mr. Mazzoni suggested approving a preferred estimate while he and Ms. Hlebak work on presenting suggested options.

On MOTION by Ms. Comella and seconded by Ms. Anderson, with all in favor, American Illuminations and Decor Estimate for holiday lighting, Option 2 Holiday Bliss 2024 Add-Ons plus Cunningham Park, in a not-to-exceed amount of \$15,000, subject to District Staff presenting suggested holiday lighting options, was approved.

SEVENTH ORDER OF BUSINESS

Discussion: Rangeland West Blvd

Mr. Mazzoni stated that the correct agenda title is "Discussion: Rangeland East Blvd". He stated that, because of other significant sod projects, LMP has an opportunity to pass on more significant savings to the CDD than originally proposed, if the CDD proceeds with the special landscape project in Fiscal Year 2025. The turf replacement cost proposal is behind Tab 8B.

EIGHTH ORDER OF BUSINESS

Consideration of Landscaping & Arbor Care Proposals

Mr. Mazzoni presented the following Fiscal Year 2024/2025 budget projections, which includes the Sunscape Project Management Fees for landscaping, arbor care and landscaping enhancement projects:

A. The Davey Tree Expert Company

Regarding coding the Sunscape Project Management Fee, fees will be coded to the same budget line item as the project.

On MOTION by Ms. Anderson and seconded by Mr. Deenihan, with all in favor, The Davey Tree Expert Company Proposals 20004068-1713273724, 20004068-1713398748, 20004068-1713174106, 20004068-1713555315, for arbor care services, fertilizer/bio-char and tree pruning, in not-to-exceed amounts of \$34,702, \$27,321, \$2,139 and \$10,232, respectively, plus the Sunscape Project Management fee of \$3,719.70, were approved.

B. Maintenance Professionals, Inc.

Mr. Mazzoni presented revised proposals, which include irrigation costs. Mr. Soety, of SCI, stated that the unit pricing for plant material is based on types and quantities sold and that these prices can be negotiated. The areas selected are ones they think need some attention and reinvestment. The Board can choose to set an amount to spend per year and Staff will prioritize projects for Board approval.

Discussion ensued regarding the probability of an additional price break; industry standards determining plant selection, size, spacing and quantities; avoiding overplanting areas; focusing on addressing those areas visual to residents; Ms. Anderson contacting Mr. Mazzoni to tour project areas and whether to have all original builder-installed damaged landscaping removed and starting over with the landscaping.

As projects are scheduled for Spring 2025, the Board consensus was for Staff to review and make adjustments to the scope/cost for the landscape and irrigation projects and advise if a Landscape Workshop is needed, with the understanding that surplus fund balance would be used if the Board approves other cost increases, since the proposed Fiscal Year 2025 budget was already approved and the maximum assessment levels were set at the last meeting.

NINTH ORDER OF BUSINESS**Consideration of Kompan, Inc. Quote No. SP137910-2 for Whitfield Park Teeter Totter**

This item was presented following the Fourth Order of Business.

TENTH ORDER OF BUSINESS**Discussion/Update: License Agreement with Landscape Maintenance Professionals, Inc.**

Mr. Mazzoni stated that LMP decided to secure an off-site storage unit to store equipment, in lieu of the License Agreement to construct a landscaping maintenance facility on CDD property. Ms. Willson completed the paperwork for the Developer to convey the property to the CDD and the Accounting Department is issuing payment to the Developer for the parcel.

Mr. Mazzoni stated that the same exercise can be used in future Landscape RFPs, if the Board decides to construct a maintenance facility on that parcel.

ELEVENTH ORDER OF BUSINESS**Acceptance of Unaudited Financial Reports as of May 31, 2024**

Mr. Adams stated that reminder past due notices will be sent to the property owners to pay outstanding commercial shared costs. Mr. Saltzer commended Mr. Adams and Staff on a great job clearing up past due commercial shared costs and on the ICS investment account earned interest revenue amount.

Mr. Adams stated that Staff is working on Certificates of Completions in order to close out the various construction accounts. He will contract Mr. Liquori to ensure all requisitions were submitted for the Series 2019 bonds.

The financials were accepted.

Discussion ensued regarding adjusting the Fiscal Year 2025 budget “power washing” and “contingency” line items and using surplus fund balance to offset the assessment increase, in order to keep assessment levels the same as in Fiscal Year 2024.

TWELFTH ORDER OF BUSINESS

Approval of Minutes

A. June 12, 2024 Workshop

Regarding lines 36 through 38 and her comment about the proposed Fiscal Year 2025 budget and, because this information is not broken down on the property tax bill, Ms. Comella stated her hope that residents understood that the majority of the CDD assessments are assigned to pay down debt and that it is the larger number than any other expenditure, which are properly bid. Mr. Adams stated that this can be easily explained by directing residents to the Assessment Table in the budget.

On MOTION by Ms. Anderson and seconded by Mr. Deenihan, with all in favor, the June 12, 2024 Workshop Meeting Minutes, as presented, were approved.

B. June 12, 2024 Regular Meeting

The following change was made:

Lines 28 and 138: Change “DeVino” to “DeVivo”

On MOTION by Mr. Stalzer and seconded by Ms. Comella, with all in favor, the June 12, 2024 Regular Meeting Minutes, as amended, were approved.

THIRTEENTH ORDER OF BUSINESS**Action & Completed Items**

Items 5, 7, 8, 9, 10 and 11 were completed.

FOURTEENTH ORDER OF BUSINESS**Staff Reports****A. District Counsel: Kutak Rock, LLP**

Ms. Willson stated that she received confirmation from the Internal Revenue Service (IRS) that it reviewed and officially closed the Audit of the CDD Series 2018 Special Assessment Revenue Bonds. There were no findings nor changes to the tax-exempt status of the bonds.

Ms. Willson presented a request from Counsel for the Esplanade HOA to incorporate a statement into the Consent Use Agreement indicating that “The District has no ability to not have the ability to remove the fence or terminate the agreement.” That typically is not the case when a third party is installing things on CDD property. She is recommending that the CDD retain the ability to remove it, if it is ever necessary. She will advise of the Board’s decision that it is not agreeable to that term.

B. District Engineer: Johnson Engineering, Inc.

Mr. Adams stated that Mr. Charles Reed, of Johnson Engineering, will assume the role of District Engineer.

C. District Manager: Wrathell, Hunt and Associates, LLC

- **4,862 Registered Voters in District as of April 15, 2024**
- **NEXT MEETING DATE: August 14, 2024 at 6:00 PM [Adoption of FY25 Budget]**
 - **QUORUM CHECK**

D. Lifestyle Director & Amenity Manager: Arch Amenities Group

This item was presented following the Fourth Order of Business.

E. Operations Manager: Wrathell, Hunt and Associates, LLC

Mr. Mazzoni presented the Monthly Field Operations Report. He noted the following:

➤ He inspected all the completed sidewalk repair projects and will be approving the invoice upon receipt.

➤ Ms. Comella executed the Access Agreement prior to the meeting, which will be submitted to the School Board, giving authorization to remove certain CDD shrubs. He will coordinate the landscape portion of the crosswalk project with the school.

Mr. Mazzoni distributed and presented a memo reporting two areas of erosion damage on Pond 5-2, due to a homeowner emptying pool water into the pond. He asked if the Board wants to charge the homeowner for the cost of the repairs.

On MOTION by Ms. Anderson and seconded by Mr. Stalzer, with all in favor, authorizing Staff to pursue cost recovery from the homeowner for lake bank washouts on Pond 5-2 due to the actions of the homeowner, was approved.

- Sam, of LMP, reported slight irrigation pressure improvements from June 1 to July 5, 2024.
- Vendors are scheduled to inspect Ponds 17-3 and 12-5 and provide recommendations, as the ponds never reach expected water levels, and review the sagging concrete at Hutchenson Preserves walking bridge and the Rangeland walking bridge.
- The District Engineer and Shenandoah are inspecting the potential leak in the stormwater drain in front of Ruddy Run.

FIFTEENTH ORDER OF BUSINESS**Supervisors' Requests**

Ms. Comella asked Mr. Mazzoni to inspect Pond 15-2 by the last house behind Gavin Lane for erosion and determine if it needs to be repaired.

Ms. Comella requested an update on Taylor Morrison. Mr. Mazzoni stated he, Mr. Soety and Steve, with Steadfast who is Taylor Morrison's vendor, inspected Whitfield area 1 & 2. All agree that the sod requires replacement in multiple areas. Mr. Soety is sending an email about mowing deficiencies. He suggested pressuring Taylor Morrison to address all deficiencies before the CDD accepts conveyance, especially since there are no other homes to sell.

SIXTEENTH ORDER OF BUSINESS**Public Comments (non-agenda items) [3 minutes per person]**

No members of the public spoke.

SEVENTEENTH ORDER OF BUSINESS**Adjournment**

On MOTION by Mr. Deenihan and seconded by Mr. Stalzer, with all in favor, the meeting adjourned at 8:29 p.m.

- **Pond 5-2 EROSION** – A warning notice was sent to 13023 Payton Street regarding damage to the pond and alerting them to the District's intention to seek restitution for the damage. Operations is awaiting a vendor proposal to determine the cost of repair.
- **LANDSCAPING MAINTENANCE AREA**: The parcel transfer was completed by both parties and the warranty deed was executed on July 17, 2024. This area will be available to the District should the Board decide to construct a landscaping maintenance area in the future.
- **PREMIER LAKES**: Operations discussed some initial plans with Alex of Premier Lakes, the new pond and lake maintenance team starting in September. Operations will be walking with them to review the community's waterways during the first week of service. We will also be looking at ponds 12-5 and 17-3 to determine what actions can be taken to address any pond bank challenges. The vendor we had secured backed out of the project.
- **RUDDY RUN DRAINAGE CONCERN**:

Vendor Shenandoah was contacted to provide a proposal to investigate this area. This issue appears to be like other sealing issues around storm drains that the District previously addressed. Considering safety concerns, Operations executed a proposal in the amount of \$4,700.00 for evaluation and plugging of this drain. **Awaiting Scheduling**

- **CONCRETE LIFT / WALK-IN BRIDGES**

Operations approved a proposal for \$3,109.88 from vendor Alpha Foundations to address the sagging sidewalks leading to the walking bridge along Rangeland Blvd and the one at Hutchinson Preserve. The proposal will inject a proprietary material to lift the sagging portions of the sidewalks without the need to demo the material. **This work will be scheduled on Saturday 8/24/24 so it will not interfere with school pedestrian & bike**

- **LANDSCAPING MAINTENANCE TURNOVER – WHITFIELD (E1/E2) & STANSIL PARK:** Pete from Sunscape and Operations met with representatives from Taylor Morrison regarding the areas remaining to be turned over for maintenance. *To inspect these four (4) parcels in detail, Sunscape will need to be onsite for approximately six (6) hours to complete the review and inspection. The cost of that inspection is \$1650.00.*
- **CUNNINGHAM PARK TRIMMING PROPOSAL:** Sunscape is currently sourcing proposals for trimming the Cunningham Park areas referenced at the last meeting. Davey Tree will be submitting a day rate, and they are estimating the work will take 3 days, but more can be added if the District wants additional trimming. LMP was asked to submit a proposal based on varying levels of trimming, which will allow the Board to decide how much of a budget they wish to allocate to this project.
- **PEANUT FUNGUS TREATMENT:** The spontaneous dieback of perennial peanut located at the Heart Pine Ave and Long Spur roundabout was diagnosed as *Athelia rolfsii*, or Southern Stem Rot fungus, starting from underneath the canopy. Determined to be caused because of high humidity and frequent rainfalls, with a lack of drainage in certain plant beds. The affected and surrounding areas were treated with systemic fungicides on July 10th. The process included cutbacks of perennial Peanut and a careful removal of dead plant material, followed by a blanket treatment of fungicide to remove any lingering spores and prevent future outbreaks.

Treatments for snail and slug control were also applied as a heavy presence of snail activity was also detected.

LMP is continuing to monitor the situation and will notify Operations if any additional action is necessary.

- **MEETING CAMERA / ZOOM ACCOUNT** – Operations purchased an owl camera from Owl Labs. Looking at the specs, the District may require more than one camera. However, Operations only purchased one camera to test it and we will determine if a second one is needed later. The Lifestyle team completed setup on the Zoom account. Operations will be testing the camera as soon as it arrives.

- **NEW SPEED LIMIT SIGNS** – New speed limit signs were installed on Lake Blanche Drive. The new speed limit is 35 MPH.
